Packed houses and standing ovations was Concert Choirs reward for constant effort and practice.

Mrs. McClurg guided the choir slowly to the top of the scale, a task in its self.

Performing and practicing was the schedule. It all paid off when the lights came up and the curtain came down with a loud round of applause.

Bands Provide Spirit At Games

Many Students acquired a taste for many kinds of music through band this year. The many types of bands this year included stage band, symphonic band, and pep bands. The stage and symphonic bands together formed the pep band, which played at games, assemblies, and pep rallies.

A highlight of the year was when the band played at two of the Utah Pros basketball games, and went on tour to California.

"Pin Pals Stick To The Wrestlers"

"Roll 'em over, smash 'em flat, pin their shoulders to the mat!" If this doesn't sound like an ordinary cheer to you, you haven't been to a wrestling match, and screaming this cheer would be a group of girls known as "Pin Pals." Besides cheering, the girls also decorate lockers and have secret pals on the team. They have helped to bring recognition and a lot more spirit to wrestling.

MINERETTES TAKE THIRD

Bingham's traditional Minerette club has had many changes this year. A drill team has been formed consisting of twenty four girls who march at games, parades and also compete for regional and state titles.

The drill team was invited to compete in the Intermountain Drill contest in Idaho Falls. The pep club consists of Fifty girls who cheer and perform the flag ceremonies at home games. The Minerettes help the athletic teams out by decorating their lockers, giving them treats, and supporting them at games.

The Minerettes assist the cheerleaders in promoting school spirit.

Minermania in action

Melvin Miner alias: Mark Hogan

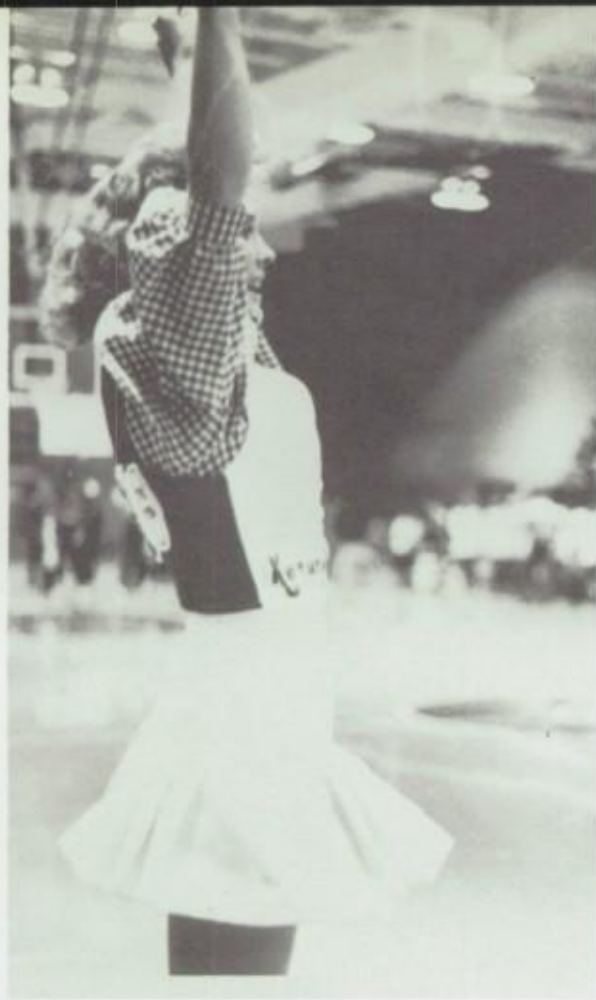

Straight Out Of Yesteryear ... Melvin Miner

Once in almost everyone's life one wonders what it would be like to live in the days of the Gold Rushes. Here at Bingham, Melvin Miner (alias: Mark Hogan) is trying to bring back those days. There probably weren't many miners who had as much spirit as Melvin. Behind those overalls and fake beard you thought it was just another normal Miner, but if any of you know Mark you know he is anything but normal.

Theatrical arts, an opportunity for the individual to discover themselves and broaden their understanding of other people and life in general portraying a character, another individual life. Counselors Seek Out Student Problems

Beatrice Densley

Richard Neil

Could you possibly believe that the counselors of B.H.S. have a challenge this year? With 2700 students, approximately 700 students are assigned to each counselor. This makes it quite a challenge for the counselors to get to know the kids as well as they would like to. But with each counselor's experience and professional advice, more students will leave Bingham High with more self confidence and good ideas of what lies ahead of them. Also, with the excess amount of students, a registrar was needed to handle over 2000 class changes. That in itself is a big job.

What's Cookin' At B.H.S.?

Anything from tacos to chef salads were poppin' up to be prepared and served to the students at B.H.S. Because of the student increase, 5 new ladies were added to the talented cooks, making it possible to feed over 2000 mouths a day. Even with the dishwasher sometimes inconveniently broken, the quality and service of lunch is still the top in the state.

Bus Drivers Survive!!

Have you ever driven a big school bus with 80 or 90 screaming maniacs diving from seat to seat behind you? This may give you an idea of what our bus drivers put up with. Each day in the crisp morning air the bus drivers get up and go out to the buses to take the nerve testing ride to school. Amazing enough our bus drivers managed to survive the school year with the B.H.S. students.

"A Custodians Work Is Never Done!"

With an influx of students, the custodians ended up with a terrible litter problem and increased vandalism. Phil Brinton, Dwaine Ard, Scott Bateman, Jeff Pullan, and Micheal Morgan worked to keep it under control. Jack Dunn acted as the nightman, taking the responsibility of operating the 7 million dollar school single handedly during the quiet hours of 11 P.M. to 7 A.M.

Miners Stomp Into The New Year

Vacationing miners started out the school year right at the Welcome Back Stomp. Rocky Mtn. Disco, refreshments, and a super turnout of excited kids made this one of the best stomps this year!

"Come up here so I can tell you a few things!"

STUDENTS REGISTRATION AND FIRST WEEK

"My locker won't open, My first period class is missing, and Why do I feel so small?" These may have been some common remarks heard the first week of school. Yes, the studentbody and Freshman have ARRIVED!

"Hark! Was that the bell I heard?"

"Aren't there any guys registering at this school?"

Studentbody Officers Look Into The Past

Student Government And P.A.C.

Put together 3 class officers from each grade, 5 studentbody officers and what do you get? Mass Chaos!!! But thanks to Linda Sandstrom, their advisor, they did manage to get many events off and keep themselves busier than a herd of 20 elephants. Some of the events they prepared were Homecoming week, Pride week, and all the stumps. Plus, new on their agenda was a new organization called the President's Advisory committee. They met monthly to discuss problems and future events. This committee was made up of one representative from each third period class.

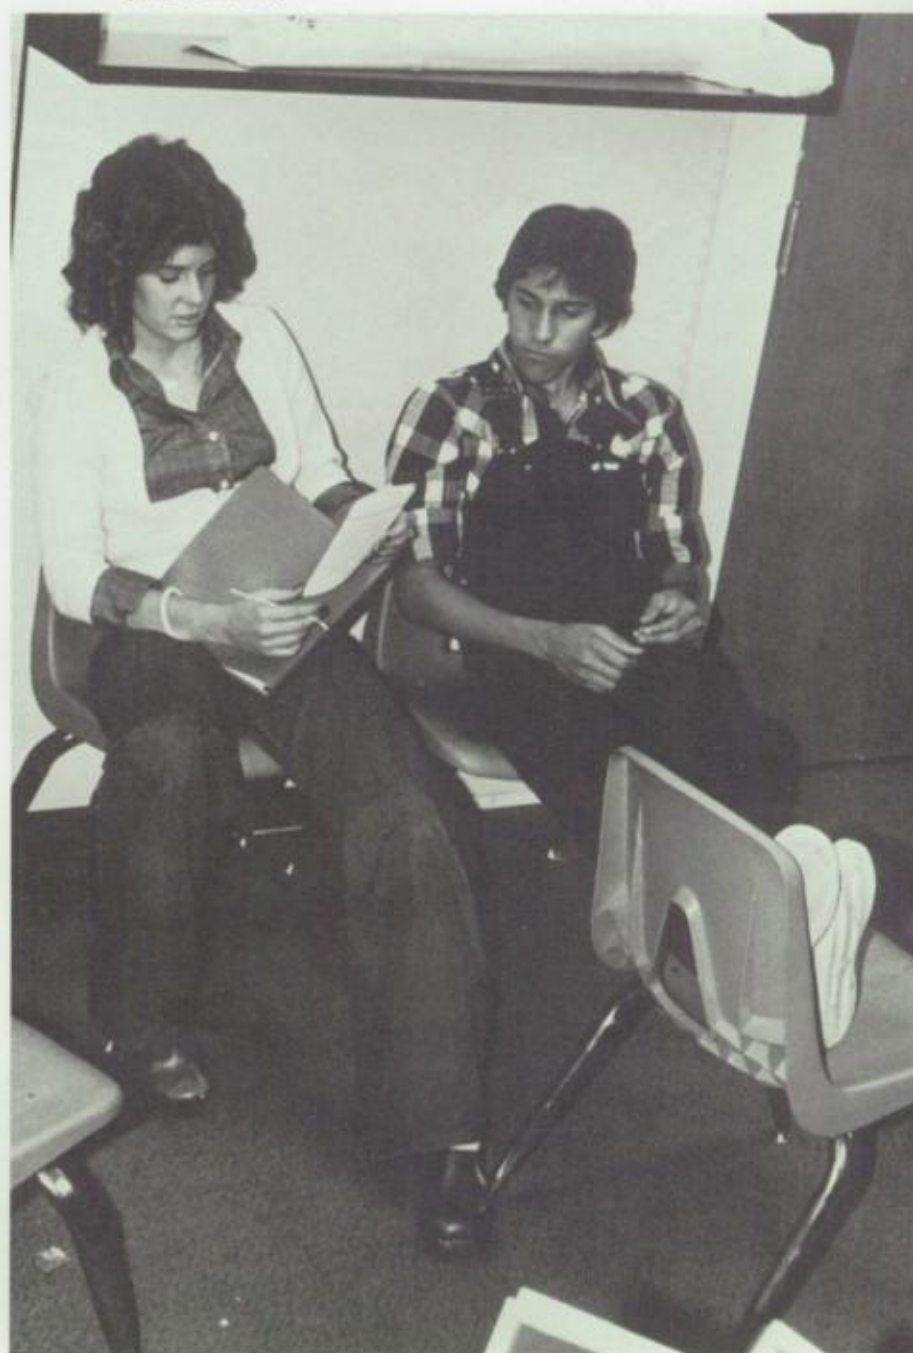

Student Government counts every penny.

Homecoming Spirit Becomes Miner Memories

A silent football field, a bright burning "B" in the Darkness of the night, and many activities brought a Homecoming feeling into many miner's lives. A football game played in the brisk cool air brought tears and disappointment but had true meaning in making us want to fight to keep Bingham #1. In keeping in tradition a continental breakfast was held and well performed, Alumni Assembly presented, and a parade held with different clubs involved.

The Crowning Of The Queen

Knocking knees, locked jaw, and fidgety hands. These are the traits of a "Miss Coppertonian" contestant. Tension filled the room, as these girls displayed their talents in hopes of the crown. To put the finishing touches on these events, the 1978-79 royalty was announced at our traditional Coronation Ball.

Star Spangled Girl

Sniff, sniff. "Ah told him ah don't want to be smelled. Tell him to stop smelling me!" This was just one of the many humorous lines in the school play. Lines like these made "Star-Spangled Girl" one of the best plays our drama department has ever produced for Bingham High School. Outstanding performances were given by Toni Crossgrove, Mark Kouris and Bryan Wood in the lead roles. Thanks to Debra Merrill and the rest of the crew, "Star-Spangled Girl" ran in the highest degree of theatrical Professionalism.

Freshmen - New Tradition

Tradition conscious B.H.S. began a new one recently with the first annual Freshmen Night held November 17. The movie sponsored was Neil Simon's *Murder by Death*, a humorous murder mystery about an unsolved murder. Their was a super turn out and everyone enjoyed the punch and donuts.

Battle Of The Sexes

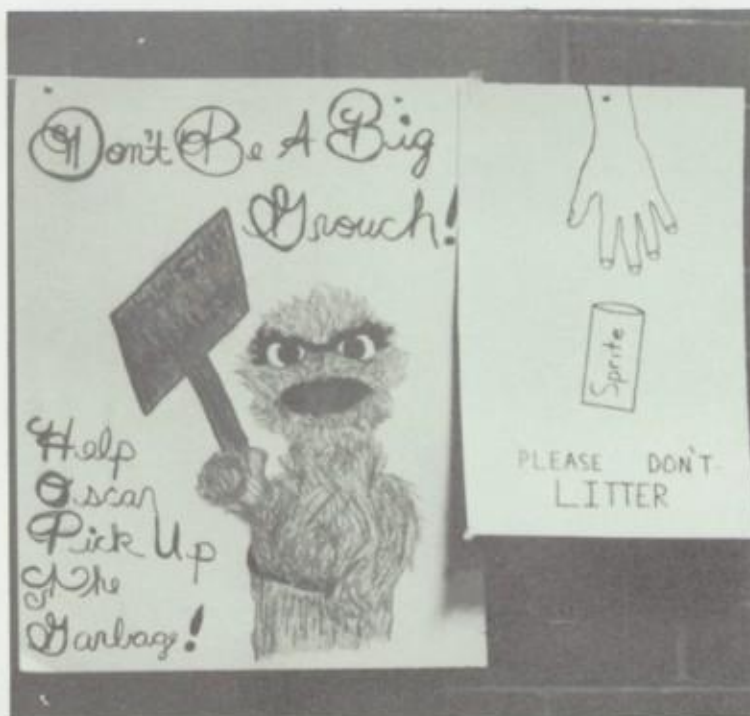

Battle of the Sexes was a true contest of mind testing and skill. Competitions between the sexes included Volkswagon stuffing, Cake decorating, Hopskotch and Jacks. The excitement ended in a tie breaker of a jello slurping contest between the two team leaders, Bryan Wood and Jodi Kingsbury. Bryan victoriously consumed his jello putting the men 5 points ahead, thus winning the competition. Pride week gave us a opportunity to honor Janitors, to wear our craziest hats, and to show our support by purchasing links for your class Pride chain. The Juniors won. The highlight of the week came when the class pride chains were hooked together to show that the four classes at Bingham are united as one!

Heres what happened when!

It Takes Spirit

It takes ability, encouragement and spirit to win a game. Encouragement and support from the studentbody really helps out the team this is what Pep assemblies are all about. The Cheerleaders and Songleaders plan the assemblies to encourage students to have spirit and get out to support the team.

Student Government Directs Assemblies

Student Government provided us with a variety of assemblies this year such as the Snowbird assembly, the Ross Family singers, Alumni assembly, and the USAF Band Airmen of Note. Double assemblies were started because of the addition of the Freshmen class.

Airmen of Note perform.

A black and white photograph of a large group of students, likely from a mid-20th-century yearbook. The students are dressed in formal attire, including suits, ties, and dresses. They are arranged in several rows, with some standing and some possibly seated or kneeling in the front. The background is slightly blurred, showing some architectural elements. Overlaid on the photograph is the word "students" repeated ten times in a large, white, serif font, stacked vertically from top to bottom. The text is semi-transparent, allowing the underlying image to be visible. In the upper left corner, there is a small, faint logo that appears to say "FBCU".

Nationally known Navy Band gets standing ovation.

Bingham High Students Build For Future

The 1978-1979 Coppertonian can be described accurately as a product of the students of Bingham High. It is a combination of their ideas, hard work and a well learned sense of responsibility.

During the flooding in South Jordan in February the students of Bingham responded to community requests and worked all

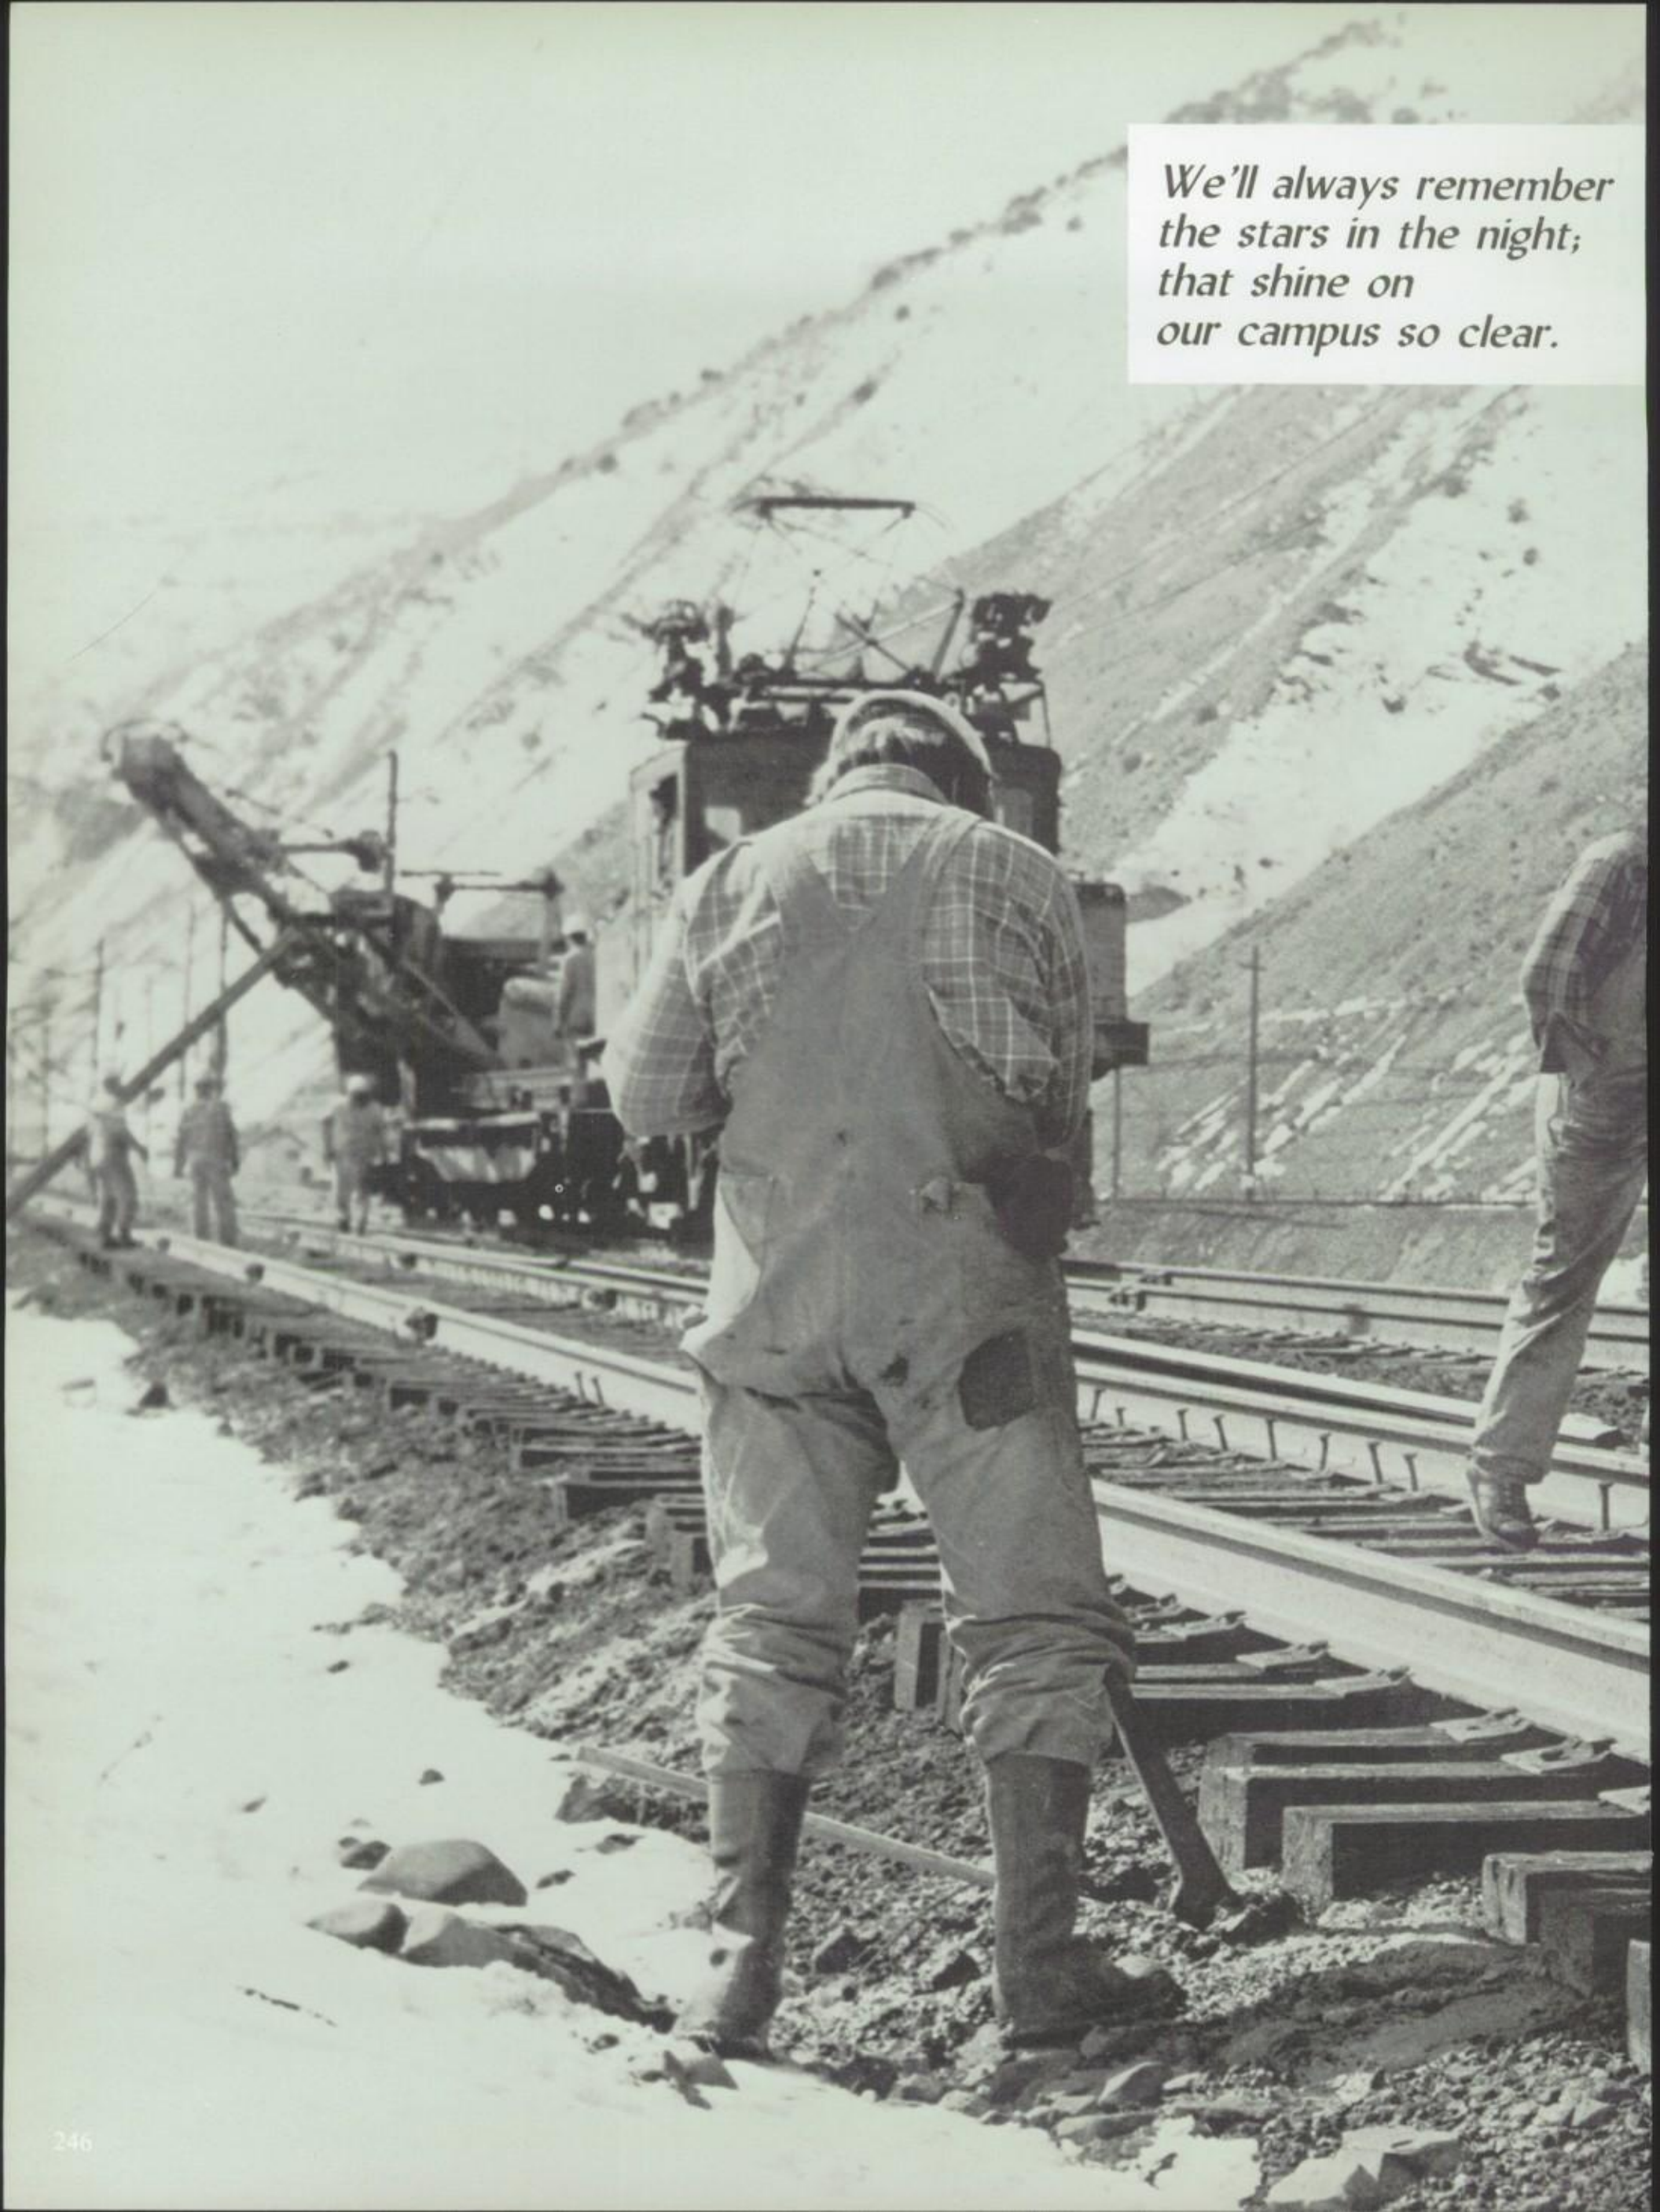

day, Valentines Day to help their neighbors and friends in the community save their homes. In the same spirit, yearbook staff members worked hour by hour day by day, to assure a book for the studentbody. Problems like a huge studentbody presented new challenges to be met, and overcome. This book is reality because a dedicated staff completed their tasks.

*We'll always remember
the blue and the white;
and faces
so tender and dear.*

*We'll always remember
the stars in the night;
that shine on
our campus so clear.*

*We'll always remember
the laughs and the smiles;
and the struggles
and sorrows and tears.*

*And though we may travel o'er many strange miles
We'll always remember, in May and September;
Bingham High as our happiest years!!*

BILL WILSON

In Memorium

The room is quiet now, everyone has gone
I sit in my chair thinking, listening, singing
the words to a thousand different songs.
And as I hear the last car pull away, I think
just maybe you'll be back, but as the clock ticks on
and the sky turns black I know it will never be.
The room is cold now, empty and alone.
As tears of pain roll down my face,
I wonder why God called you home.

-Cindy Peterson
